10:30 - 11:00	Nutrition Break			
11:00 - 12:00	Foods Section			
	Industry Standards	Connie Kehler		
	Industry Standards	Anndrea Hermann	Value of Standards and Specifics	
12:00 - 1:00	Lunch			
1:00 - 2:15	Composites- Brown Section	Biotech Research	Research Section	
	John Wolodko - Non Wovens 101 Automotive applications of biocomposites, Tam Tekle - Non woven mats and composite panels, commercial non woven matting Scaling Up Growing Pains	John Vidmar - Biotechnology and Hemp	Dr. Denis Rho NRC - Fibre Separation	Note the BioBuilding, Research and Biotech Presentations are offered at three different times to allow delegates to attend multiple session. Composites is offered at 2 different times.
	NDSU Composites Centre - Collaborative Hemp Work with Others, Importance of Centre	John Page	Rotimi Aluko - Protein Derivatives	
		Mike Deyhols	Wade Chute - pulping bast fibres for variery of applications	
2:30 - 3:45	Biotech Research	Composites- Brown Section	BioBuilding Section	
	John Vidmar	John Wolodko - Non Wovens 101 Automotive applications of biocomposites,	Mike Duckett - Hemp Biobuilding Industry in North America	

	John Page	Tam Tekle - Non woven mats and composite panels, commercial non woven matting Scaling Up Growing Pains	Joy Cramer - Manitoba Housing Concept Home
	Mike Deyholos	NDSU Composites Centre - Collaborative Hemp Work with Others, Importance of Centre	Rob Sinclair - Conscious Brands
3.45-4:15	Nutrition Break		
3:00 - 4:00	Fashion and Textiles		
	Isaac Nichelsen - Private Label Hemp Fashions	How to become private label	
	Dr. Cao - Hemp in Fashion Education	How to take hemp fashion into academia and what relationships are needed to facilitate. China manufacturing	
4:00 - 4:20	Lanaupole Fibre Biocomposites & Other Projects	Daniel Babineau	
6:00 - 9:00	Supper & Fashion Show		
Tues, Nov 6			
7:00 - 8:30	Breakfast		
8:30 - 9:15	Hemp in Alberta Panel: Jan Slaski, Mike Duckett and Russ Crawford		
9:15 - 10:00	PANEL: International Hemp Overview: Daniel Kruse (EU), Phil Werner (AU), Sergey Grigoryev (Russia)		
10:00 - 10:30	Nutrition Break		
10:30 - 11:30	Research Section	Biotech Research	
	Dr. Denis Rho	John Vidmar	
	Rotimi Aluko	Jon Page	
	Wade Chute	Mike Deyholos	
11:30 - 12:30	BioBuilding Section	Research Section	
	Joy Cramer	John Wolodko	

	Rob Sinclair Mike Duckett	Tam Tekle NDSU - Chad Ulvin
12:30 - 1:30	Lunch	
1:30 - 2:00	Sergey Gregoriyev - Vavilov Institute	
2:00 - 2:30	Cell nique - Hemp Drink Challenges in the Mainstream Market	
2:30 - 3:00	Nutrition Break	
3:00 - 3:30	Phytoremediation: Colorado Project	Erik Hunter
3:30 - 4:30	Agronomy Keith Watson Kevin Friesen Garry Meier	Harvest, Seed, Microbial Contamination Hemp Varieties/Dual Purpose Hemp Harvest
4:30 - 5:30	Alberta Chapter Discussion	
6:00 - 7:00	Hemp Store Visit Hemp-Fi	
7:00 - 9:00	Self Guided Evening	

Wed, Nov 7

8:00 - 2:00	Alberta Biomaterials Development Centre	Bus tour to Vegreville - lunch provided
